Kestrel Cycles - Returns and Refunds Policy

Fictional company created for a portfolio demonstration.

Returning an unused item

You can return unused items within 30 days of delivery or collection for a full refund. Items must be in their original packaging with tags attached.

To start a return, email returns@kestrelcycles.example with your order number. We will send a prepaid returns label for UK addresses.

Refunds are made to the original payment method within 5 working days of the item reaching our warehouse.

Bikes and e-bikes

Bikes can be returned within 14 days if they have been ridden for less than 20 miles and are in as-new condition. A collection fee of £35 applies to bikes returned by courier.

E-bike batteries cannot be returned once the security seal on the battery has been broken, unless the battery is faulty.

Items we cannot accept back

For hygiene reasons we cannot accept returns of worn saddles, bib shorts, gloves or helmets that have been used.

Custom-built wheels and bikes built to a customer's specification are non-refundable unless faulty.

Faulty items

If an item is faulty, contact us within 6 months and we will repair, replace or refund it. This does not affect your statutory rights under the Consumer Rights Act 2015.
